THE PETITION LETTER HAVING FAILED TO BRING DISCIPLINE  
INTO THE COURTROOM IS NOW EXCHANGED FOR THIS NOTICE:

**MOTION BEFORE THE COURT FOR JUDGMENT:**

There are rules in a courtroom: 347 S.W. 2d 211, 216;

**meaning you cannot continue to ignore the facts or the reality of this lawsuit/ make a decision, or proceed with the filing of facts.**

**THE LAW shall provide a remedy! 1 Williston, Contracts 1 (4<sup>th</sup> ed. 1990, 1995) a promise breached, requires the law to give a remedy.**

The reality of time pasted in this trial, has produced the demand: Establish the date when default judgment gives to me the verdict that I am due. Let the law be real: Redress shall occur.

Otherwise, it is your duty to establish the alternate “lies, failure, and foolish traitor”/ as is consistent with betrayal of constitutional law. So that appeal process begins. Or continue with trial, by appropriate filing, and see its conclusion according to the law: as is my right of due process under the law.

Times up, make your decision. 110 S.E. 2d 909, 911.

**PROOF OF SERVICE: I, James F. Osterbur do hereby prove and declare: that on this date 6/ 2/ 11 the above entitled document was mailed, by prepaid US postal first class service to the addresses listed above. Including the court.**

To insure compliance without cause for complaint: in this federal court case, the originating Champaign county courtroom receives a copy plus all state agencies listed. And the
