TITLED:
tax revolt, the determination

as indicated; by the final notice of tax due provided to you. The consequences of your failure to comply with the law are mounting. The reality that you will not fulfill your contract with me, thereby every other citizen of this state and grant redress of grievances to us as the law requires.

Determines the fact that I cannot pay you for a job you did not do/ a theft of our most "sacred liberties, to participate as WE THE PEOPLE" of this state of IL as our constitution grants us to be. Establishes that criminal conduct exists within this state, as is determined by the attorney general and courtroom (employees for

the protection of the people by their laws and constitution; denied). Establishes criminal conduct in the political realm of this state of IL; as is the defendant our governor of IL; who refuses to protect the people in this their democracy. Establishes criminal conduct in the circuit courts of this state of IL, as is the denial of law/ the elements of games and retribution **for demanding the law be obeyed;** seen in the establishment of sanctions, in a courtroom unjustified by jurisdiction over me. And this is portrayed as the element of force over our democracy by the internal revenue service/ that branch conceived to be an organization which consumes or extorts the taxpayer by **whatever means possible.**

The battle is now joined: the reality of tax payments in exchange for work done/ NOT PROMISES UNKEPT! Has become a fundamental of this trial. I have not paid the tax, that is my claim: because you have not kept the constitutional demand which guarantees to me that I have the right of redress of grievances as is the law. You have the option to prove how constitutional law and demand/ guaranteed rights to the citizen; have been kept, are mine for the asking, and your duty/ thereby the service that you shall surrender to me. As is created by that demand. Because this is a democracy/ which means YOU as our employee: ARE NOT ENTITLED to claim money that is not owed to you, for service to the community; **by the laws, and oaths; that we require you to serve.**

DO YOUR JOB, grant to me my guaranteed right of redress/ or prove the foundation of taxation which is the constitution of this state HAS NO authority as a contract. Because without a contract, you have NO right to assess or collect a payment. You failed to do the work required of you. You failed the oath demanded of you. You failed this people and this state, and the reality of that decision is we OWE YOU NOTHING. Because our contract is broken by you/ you then seek to steal this money from me. That is a criminal definition of organized crime.

PROVE YOU DO NOT OWE ME, “MY GUARANTEED RIGHTS”, BY the constitution of this state called ILLINOIS. *If you can prove, that my guaranteed rights are nothing more than a joke. THEN I will prove your rebellion, treason, and a traitor. If you prove that my guaranteed rights belong to me/ THEN SURRENDER THEM TO ME, and establish redress. Or you have no right to suggest a payment is owed. YOU FAILED, to do your job.*

I don't pay for “Work that was never done/ or disrespect that I did not earn/ or your failure to accept the law and obey it”.

Without substance, merit, honor, or jurisdiction under the law: a contract broken, shall not be paid. You have no rights under the law, anything attempted shall be extortion, the essence of mayhem and anarchy. Because you earned it not. You cannot take what I earn/ because you are too damn lazy to work for yourself. You made a decision. You chose not to obey the law of this state of IL. The consequence of that is, you are in federal court: and must prove that the contract created by a constitution called we the people/ NOT YOU THE KINGS OR QUEENS”; DEMANDS equality and justice. Equality means WE BOTH HAVE TO DO OUR WORK CORRECTLY, WITH DIGNITY AND RESPECT FOR EACH OTHER; or there is no justice. The social dignity that we are equal in life and society; separated only by a job/ dies, unless there is truth and reality in the social contract that binds us together. That contract is the constitution, and it says: I AM ENTITLED AND GUARANTEED, “Redress of grievances” as is the law.

Prove me wrong, in court/ as a responsibility of this federal case.

Proof of service: I, James F. Osterbur DO declare and submit that I have placed within US MAIL service, WITH first class postage prepaid.
