DATED 7/18/ 11

TRIAL # 10-cv -2277

PLAINTIFF OBJECTS: TO REPORT AND RECOMMENDATION

The judge knows: that constitutional law is not a game.
The judge knows: that constitutional redress of grievances is the law, and he is obligated to enforce it/ NOT a discretion.
The judge knows: THAT THIS CASE INVOLVES THE RIGHTS AND LIVES OF AN ENTIRE NATION, AND EVEN THIS WORLD; because the consequences of being wrong: ARE THAT SEVERE.
The judge knows: this people deserve their say in regards to ANYONE gambling with their lives/ their planet/ and their future, including their children.

The judge knows quote page 1: “He seeks to have a joint trial with all people in the nation to establish their first amendment rights, and to see redress of unspecified grievances”.

THE JUDGE LIES; when he states there is nothing specific in this lawsuit.
The judge trades our lives, and our future: for nothing more than the collusion/ conspiracy/ and corruption of keeping redress of grievances, a first amendment legal right from this people.

TRY AGAIN; THIS AIN'T A GAME. THE POTENTIAL CONSEQUENCES ARE VERY REAL.
