VALID CAUSE OF ACTION

I SEEK REDRESS OF GRIEVANCES, AS IS GUARANTEED TO ME, WITHIN THE UNITED STATES CONSTITUTION. Your job is to provide that legal right/ and you have NO legal opportunity to refuse. Refusal is to deny the US CONSTITUTION rules this land/ and you are its employees. The demand to disobey the law/ particularly the constitutional guarantees of a citizen herein: CONSTITUTES A WILLINGNESS TO PARTICIPATE IN THE CRIMINAL ACT Of making this US constitution invalid/ making traitorous actions in defiance of said constitution/ and adhering to the enemy: which are those who try to defeat DEMOCRACY.

Or more simply: WE THE PEOPLE, own this land/ this nation/ and WE ARE “this government, in connection with our founding documents.”

You, are not the government/ you are an employee assigned to obey the law, support the constitution and defend it. The failure to do that very thing has criminal consequences. The intent to defeat the democracy of this USA and war against it as an enemy HAS consequences. The reality of law is very simple: either you do obey it as written/ or you deny the law and disobey your oath of office as is sworn; and thereby does come with consequences for you.

A CONCISE AND VALID CLAIM FOR RELIEF

The utter failure that is US government today, clearly proven throughout the land/ clearly and distinctly proven by the debt load, propaganda instead of as the constitution demands TRUE AND REAL accounting for the nation; provided to the public: failed/ clear and distinct failure in protecting the children from criminal conduct, as their elders not only steal their money, but force them into absolute poverty by stripping every resource, and destroying every opportunity the future could have; because of selfishness and greed/ failed because we stand only minutes away from complete extinction by weapons of mass destruction; and the refusal to apply world law instead/ failed because the education system has proven tragic for too many/ failed because healthcare has become simple extortion/ failed because as is proven in this court: THE LAW, is not obeyed without a fight even in federal court/ failed because unemployment is too high/ failed because YOU do not RESPECT DEMOCRACY, but the employees believe they can be rulers, instead of we the people. There are many more, including threats of extinction that are specific to ending this world. Religion has taken over government, the reality of evolution (proven nothing), nothing more or less. Failed to protect the future. Failed to protect the people from weapons they cannot survive. Failed to provide redress to this date/ failed to protect the press (lost to a handful, with greed as their only decision)/ failed to protect the people that they be secured in their persons, houses, etc; “YOU, the employees, MADE THE MONEY BAD/ YOU SUPPORTED pathetic practice in banking and financial aspects of society”. Failed to protect my right of trial/ failed to protect the value of DEMOCRACY to me, and to us; with endless rhetoric and lies. Failed by supreme court case 08-1339 being denied by a clerk/ not a judge; which is conspiratorial treason, the direct attempt to overrule the constitution and strip from the people their democracy. Lawyer/ Judge or not, you cannot pick and choose which law you will obey/ you will obey them, or be found guilty “an enemy of this nation”. And it is up to the policing departments of this nation to apply the same demonstrations of power to you, as they do to us. Failed, because your policies have made it impossible for some to avoid slavery and prostitution just to survive. Failed because due process is a joke among the judiciary, that they believe, can simply be avoided with LIES, like “failure to state a valid claim for relief”.

A VALID WAIVER OF SOVEREIGN IMMUNITY

WE THE PEOPLE, ARE THIS GOVERNMENT! You the employees are not. WE THE PEOPLE ARE DUE, THE PROCESS OF LEGAL REDRESS OF GRIEVANCES ACCORDING TO THE FIRST AMENDMENT OF THIS US CONSTITUTION, you have no say. It is the law. This democratic action rests

upon the certainty: that we have not only a right/ but a duty to defend our nation as we see fit. That right exists as the legal remedy to take our employees to court and examine their work/ establish the change we need to have/ and determine our future for ourselves. WE ARE THE OWNERS/ WE ARE THE DEMOCRACY/ AND WE , within the confines of constitutional law; do represent not only our nation, but its law, and that enforcement of law ourselves. WE ARE THE JUDGE, in terms of redress of grievances/ because we are the owners coming to examine and decide what is the truth and reality of what these people have done to us, and in our name. It is our guaranteed and inherent right of power, as we the people. Because it is OUR NATION. OUR DEMOCRACY. OUR LAW!

SUBJECT MATTER JURISDICTION

THIS IS a democratic action provided by the constitution of this UNITED STATES OF AMERICA. The law of first amendment rights providing for the legal remedy of failure by our employees/ and the opportunity to intercede prior to even greater damage being done. That means my legal right to inquire of this state or county: IF THEY DO, OR DO NOT BELIEVE, it is absolutely necessary to defend this nation and ourselves by demanding an accounting, and DIRECT control of government as the law allows through this court. IT IS AN INDIVIDUAL RIGHT, provided by the constitution. It is a democratic action, which means it is my right to ask of “we the people” here/ IF THEY TOO believe it is necessary and valid to ask of the others by simple democratic due process. The act of governing ourselves, by taking responsibility for the future from those who did not protect us; and choosing for ourselves a new path/ defending ourselves from those whose actions are traitorous. Because this is NOT distinctly the REDRESS TRIAL ITSELF/ BUT MERELY, THE DEMAND BY LAW, TO ENFORCE THE FIRST AMENDMENT REDRESS OF GRIEVANCES, and provide the beginning of trial. Every court in the land is entitled and instructed and demanded: TO GIVE THE PEOPLE THEIR LEGAL RIGHTS. This is not national redress trial itself. This is the beginning of redress, the foundation of democracy whereby the people themselves vote, to participate as they see fit within the laws and demands of democracy itself. It is well within the jurisdictional guidelines of this court/ it is our guaranteed and inherent right, as citizens of this nation. As WE THE PEOPLE.

Further demand is created, through this initial trial to establish the foundations upon which those who choose to participate by forcing trial: through the refusal to pay taxes UNTIL that law is granted/ until trial has indeed begun. There is no intent to say, we or I shall not pay the tax. RATHER AS IS THE

FOUNDATION OF DEMOCRACY; our primary weapon against employees who refuse to obey our laws, by not enforcing redress/ is to remove their money. The filing of taxes remains/ BUT THE PENALTY AND INTEREST associated with working for our democracy, through justice and fair legitimate actions; are demanded to be proven. WHAT do you intend to do/ so that we all may know!

SUMMARY

Jurisdiction is proven and without doubt. The issues of treason exist, as the intentional and deliberate denial of constitutional law. The deliberate and intentional barricade to keep this people from enforcing their democracy; as we the people are owners here.... these are not vague/ they are foundations of both law and democracy enforced by actions that are within not only constitutional boundaries/ but exempt from the actions of those who would deny us “we the people” our laws. That is a criminal trespass, at a minimum/ a felony treason by critical reality: we stand at the door of “terrible possibilities”/ and must address them as a nation. Because our employees are drowning in want/ selfishness/ and greed. Filled with arrogance, governed by stupidity and insanity (gambling that fusion fire will go out by itself, is insane. If THAT THEORY proves false/ this entire earth is dead; including you.). That is terrorism, invoked/ practiced/ and produced in conjunction with the military/ university/ and employees of government; located at the national ignition facility; and working to develop this end of earth as we speak! How is that not treason? Not a distinction of science or theory/ but legally contested as GAMBLING WITH OUR LIVES!

No judge has the power to rewrite the constitution/ they must obey it word for word. No interpretation sticks as to the

constitution UNLESS the people allow it: thereby state your case, and in redress of grievances trial for the nation/ WE WILL TELL YOU, IF WE ALLOW YOUR CLAIM. Until then you have no say beyond what the constitution actually says. No foundation of merit or any other assertion of law/ because the constitution does RULE all law in this land. YOU have no authority beyond the constitution/ merely the sworn duty to uphold the constitution as written. Prove I have no right within those words.

There is nothing general about the current mess created by our employees, whose failure to obey the preamble instructions/ whose failure to obey the intent and purpose of the founding documents as has been presented/ whose failure to obey the truth and act in a manner in accordance with reality. Have all proven without a doubt, that a citizen demanding redress for his nation is well proven: He has a right.

The relief I seek MORE than tangibly benefits me: this is the nation within which I live/ these are the things I must deal with everyday. The threats which can easily kill us or exterminate our future: IS A DIRECT AND SIGNIFICANT cost to me: I have spent my life fighting for the future. These employees of government, have spent their past; destroying that future. Because you failed us all. Regardless of that; THIS TRIAL is the demand that my legal right to address and demand of a jury: that the facts and foundations of purpose, as are written herein, should be taken seriously by them. And the call for redress at the national level should go out, so that the people themselves can decide: if they are happy, with how our lives have been affected. OR, if they wish to decide for themselves, what future, what change, what threat, and what money we shall

choose for ourselves. As best we can/ through the legal process of accountability. Tell us the truth, nothing more, and nothing less. Through democratic actions of change, as will provide compliance with the descriptions of the preamble to the US constitution, and any other reality as they feel must be addressed. By WE THE PEOPLE!

OUR GOVERNMENT/ OUR DEMOCRACY/ OUR NATION; You, are an employee!

The only controversy herein, with regard to first amendment law is: how many within the judiciary should be tried, or found in contempt.

There is not jurisdictional issues that arise with enforcing constitutional law/ it is your sworn duty to do so. That is the end of the story, and no interpretation can be proven otherwise. This is democracy at work, in accordance with constitutional demand/ it is your sworn duty to uphold it, WITH RESPECT. Or be found in criminal contempt. This is
WE THE PEOPLE!

I present no case in the spending of funds from the treasury. That is something for we the people to decide in national redress trial. I present this case for the beginning of that redress trial, according to the guarantees of the US constitution; as is my right to do so. It is the people themselves who shall decide the final definitions of what accountability and their authority exercised shall be. This is about law. This is about guaranteed constitutional rights. This is REDRESS OF GRIEVANCES, according to the first amendment of this United States of America Constitution. Either you address that law, and assume to fight with it/ or stand out of the way.

Refusing to obey the law, has consequences. WE THE PEOPLE AS OWNERS, are the sovereign authority over this nation. WE are the inheritors of every promise made to those who died, were mutilated, or made to sacrifice too much/ because others “Believed they were special, and need not obey the foundation intent which unites us together”. That we are the owners here, not you! We are the law here, and you are our employees! Whether you like it, or not.
