state house / Senate. **The mail in petition is for court purposes.**

That I, \_\_\_\_\_, whose legal address  
is \_\_\_\_\_

(a legal citizen of ILLINOIS- only).

Believe and have determined by this statement of name and address ***that our employees of  
this state MUST obey our constitutional law, and grant the full and  
legitimate LEGAL rights IN COURT: of redress of grievances!***

As is determined by the fifth guarantee, within the IL constitution TO ALL IL CITIZENS.

IT IS further stated and believed by me: **that I have every legitimate right to withhold  
taxes to this state of IL until that action exists/ THE LAW, established by the employees of  
this state of IL.**

That can occur by rescinding the order of the court in 10-MR-853, so that it may go  
forward as redress of grievances for the people, in state court. OR that may be established, by  
our federal government, through this federal court, in Urbana IL, of this USA: as is represented  
by the case 11-2111. **Shall go forward and prove that the state of IL MUST obey and  
provide the promises due to our citizens as is the guarantees called the state of IL  
constitution.** Honoring thereby article 3 of the US constitution. Section 2.1 “the judicial power  
shall extend to all cases in law and equity arising under this constitution, the laws of the United  
States..... to all cases....and between a state and the citizens thereof.”

The current count of those who do so agreed and demand is listed online automatically/ the mail  
in count will be determined by the court itself if enough to use. As this count increases, it shall  
be filed with the court. For legal status. But until sufficient numbers exist, of people willing to  
legally revolt against those who fail to keep our laws: that will not occur . **Its up to you.**

TO PROCEED BY US MAIL: print this petition, **sign & send** to: box 122 Royal IL 61871

**Those who wish to send a message to their own state, other than IL are  
allowed to do so, at this “message to the United States government”.**

That message is: we the people are a democracy. Give us back our democracy.
