CASE 2011 TR 022442

In summation, of what the prosecutor says: the following is fair. That I, the accused should be forced to accept punishment: “you shall work for us, at whatever it is you can do, to accumulate the money we demand (*not the same punishment for all: **unfair, BECAUSE we do not all make the same money per hour or job; the poor are enslaved, the rich go free***)/ OR we, the leaders; shall strip rights & we do threaten with imprisonment, “calling it contempt”. If you refuse. *That fact identifies, a true need: to redefine punishment, as fair and equal for all.*

WE TAKE this right as a society upon you/ because your actions have been declared a threat to us all. Therefore your behavior is deemed, to have, “In essence”; risked all our lives.

MY COUNTERSUIT to that claim is:

That the leaders, and primary controllers/ including its manipulators; of this society have indeed threatened me, us all, our nature, and even this world so substantially, and with such severity of failure: TO RESPECT OUR LIVES, OUR EVERYTHING. That they now have agreed, to gamble every living creature on earth, even the planet: by their arrogance. Risking everything; on their university born theories. *Fully knowing, that failure is the end of our world.* For that, no conceivable threat exists; from an action, that is so inconsequential, that the police officer agreed: NO threat, NO risk to any life was exhibited by me upon society; at the time this ticket took place. An audio tape, refused to me; would agree. A simple: didn’t come to a full stop.

I therefore countersue: **that this jury should declare, “the guaranteed constitutional right that is redress of grievances in this state and this nation: should be granted.** For the distinct purpose of investigating those WHO DO THREATEN OUR LIVES, even our very existence as a world; in this very day. As is consistent with the truth, and the purpose of “WE THE PEOPLE”. The true government by inheritance, and right of war (*we died for democracy*): the USA; this nation and this state called ILLINOIS. A valid, immediate, and true demand: because the extreme threats witnessed too herein. Provide NO SECOND CHANCES. **Their gamble is**, alive or dead, as a world. WE DESERVE THE RIGHT/ OWNERSHIP/ AND AUTHORITY, to decide if these who lead us; may proceed. *Your vote is: yes, or no!*
