

WE MUST STOP THIS,
AS A PEOPLE UNITED BY DEMOCRACY, UNDER THE LAW: CALLED REDRESS.
A CONSTITUTIONAL GUARANTEE OF BOTH THE STATE OF IL AND THE USA

FROM THE EXHIBITS OF CASE 2011 TR 022442 with only slight additions.

With energy levels created that depict, such a ferocious fire is expected that IT WILL BE, quote: **“About a million times more powerful than 10 billion 100-watt light bulbs.** And a fourth should be forthcoming, one with beams twice the power of these three. By 2015.

This fire is expected to ignite fusion “just like the sun”/ without any other assistance: a planet dead, by 2015 guaranteed. **An energy blast roughly equivalent to all the power of the sun on this planet, FOCUSED on one tiny spot.** Fusion is: the burning of atomic bonds/ just as a chemical fire here is the burning of molecular bonds: which means, this entire planet and everything on it: IS FUEL FOR THE FIRE/ it cannot be put out!.

*Their claim is: that fusion **cannot** be sustained here, because of insufficient gravity! Therefore based ENTIRELY upon this theory, they DO gamble with our entire planet, and every life! The machine is CURRENTLY RUNNING. One second too late, and the earth is forever lost. Quote: NIF will achieve....180 million degrees F/only three places in the space and time of our universe have ever produced anything close to these conditions: the big bang, when the universe was a primordial fireball: the interior of stars and planets, and thermonuclear weapons. A supernova is...18-54 million degrees F....the extreme density at NIF is larger than that achieved by a core-collapse supernova-an exploding star- or when two neutron stars collide. If we could just prove the single most destructive event in the history of the universe, was recreated right here on earth/ THEN we could be gods. The power doubles soon/ machine at CERN, **is running!** Quote: Scientists have begun blurring the line between human and animal by producing Chimeras-a hybrid creature that's part human, part animal.... fused human cells with rabbit eggs....for years scientists have added human genes to bacteria and farm animals....not only life as we know it/ but also “life as it might be”...synthetic biology-including synthetic organisms, biological engineering, artificial chemistry, origin of life, paleogenetics.... cloned...first human embryos. Quote: created an organism with manmade DNA...worth more than a trillion dollars...”its pretty stunning when you just replace the DNA.....and in a short while, all the characteristics of the first species disappear and a new species emerges...means cheaper and widely accessible tools to build bio-weapons, virulent pathogens and artificial organisms that could pose grave threats to people and the planet. The danger is not just bio-terror, but “bio-error”... sequenced and stored in digital form, will move instantaneously across the globe and be resurrected inlabs thousands of miles away. US money from taxes 2010: **\$2.33 trillion:** After social security and medicare, that leaves \$363 Billion before any other expenditure. Predicted expenditure for 2012 **\$6.3 trillion.** [www.federalreserve.gov/ releases/ z1/ current/ accessible/15.htm](http://www.federalreserve.gov/releases/z1/current/accessible/15.htm) total liabilities \$121 trillion dollars. One trillion dollars equals one hundred million people (one in three citizens) pay \$10,000.00 each. Median income 2008 \$33,048 www.irs.gov/taxstats/article/0,,id=102886,00.html Illinois tax collected 2010 equals **\$21 billion/ spent \$140 billion** population count 12,830,632. From the federal reserve site above total US assets **\$155 trillion dollars** divided by 308 million people= **\$504,056.81 apiece:** divided equally. DO YOU SEE THE **INFLATION!** Someone has these numbers, and they like you expect each dollar to buy exactly what you expect your dollar to buy. The leaders and the press that propagates the lie: call it debt/ but in fact, they simply gave these numbers to themselves, so they could consume our property and our work, and our future from us: because we cannot compete with those who give themselves “endless numbers”/ counterfeiting through the stock market, banking, and by giving away our nation to foreigners. **Your work IS:** to lend your voice, and your actions, BY DEMANDING: **to establish first amendment law/ and the fifth guarantee of IL government to each and every citizen.** YOU CAN GO TO THE SITE WWW.TRIALOFLIFE.INFO OR THE SITE WWW.JUSTTALKING3.INFO AND **SIGN THE PETITION,** that will then drive the legal lawsuit, that constitutes an appeal of this case. **h guarantee of the state of IL constitution.** SHALL BE OBEYED. By establishing WE THE PEOPLE ARE OWNERS HERE. By constructing: **WE THE PEOPLE, ARE LITERALLY, “The government”** of this state and this nation: USA.*
