

***Even though, I do not get to select the jury/ the reality is that you should be aware of what is expected of you.***

**Jury selection questions**

1. Do you believe in freedom, the reality of a threat (therefore a cause to intervene) for society: must be governed by its truth?

*YOU; Answer, and explain.*

2. Do you believe that penalties should be fair and balanced for all/ thereby when the reality of money is used, it must be, a percentage; “tied to income”: because to be equal punishment, “it must hurt each one, the same”?

*YOU; Answer, and explain.*

3. Do you accept: that the foundation for this society is constitutional law, as is democracy itself. THE RIGHT of we the people to decide our future/ by redress when necessary?

*YOU; Answer, and explain.*

4. Do you understand, the difference between a threat, and a reality of choice?

*YOU; Answer, and explain.*

5. Do you understand, the choice you make is for this state, affects yourselves; or even the nation in terms of freedom and democracy? The question is who has the right? NOT, if the rule owns us all/ but if redress is necessary.

*YOU; Answer, and explain.*

6. Will you respect the preamble to the US constitution, which clearly states: for a better society, and a better world, we must work together. “United, as we the people”? Which DOES include the establishment of true boundaries, real freedom, equitable punishment, and THE LAW must be obeyed by our employees hired to provide “government”.

*YOU; Answer, and explain.*

7. Will you remember: that people died for **freedom, for the liberty to choose** “our government, shall be OUR WAY”/ as we the people! That ain’t a game, the consequences are very real! As is your decision, in this moment; for this state, and its people.

***I, will Answer, and explain.***

At no time in the history of this state or nation, has there ever been a “redress trial”/ even though it is first amendment law, and fifth amendment state law. Not because people have not tried, but as has been proven by me in lawsuit after lawsuit: our employees from the least court to the US supreme court/ from the president, to governor, to politicians, to police, and every lawyer in-between: ALL have refused to obey this law called redress for the nation. It is your turn to decide= to choose for this nation and this state, if democracy is a game, or a right by law.

To achieve that law for all the people, and establish “WE THE PEOPLE”, the constitution itself, is sovereign here: ***redress must be applied to this case, by jury decision.*** That the people of, this judicial district SHALL BE called, by this court: to make its decision, for this state; yes or no **by media advertizing.** To bring those in this entire district, who will then comprise redress trial {their voice for us all/ your voice for them}. ***This is then: The investigation of our employees, by their oath. Our reality as a state or nation & the true examination of our freedoms/ penalties/ rights/ sovereignty/ and THE THREATS against us. The composition of our future. To establish WHO rules over this democracy: by lottery, as none are unaffected by the outcome. WE THE PEOPLE, ruled/ or we the people FREED, to rule ourselves, and this state or nation by law; proven true!***

To understand the true dimensions of this trial, the element within which your decision matters. You must accept the conditions of threat that we face as a world. From the reality of a silent spring: caused by the mutilation of plants/ pollution/ insecticides and other: intended, to

completely destroy the insect populations. **A critical food source** for birds/ aquatic life/ reptiles/ and many mammals in “desperate” times. *BREAK the chain of life, and everything dependent dies.* To the essence of every foundation upon which we depend, for life as a planet. **TO BE WRONG, is to destroy us all.** *Therefore trial exists, to examine/ investigate/ establish/ and define the future of our world:* **BY REDRESS OF GRIEVANCES.** **Our authority as a nation or state.**

Should the jury declare: *yes, this opportunity to govern ourselves/ and protect our future is NECESSARY.* THEN this court is ordered to provide redress of grievance trial as provided for, by constitutional decree: for the people. *Then the jury shall order the court to pay for and cause to exist, “this ad”.* By public media, wherein a 50% of the available adult public shall be proven or expected to be: “Notified”.

The court shall additionally present through media ad, either: public participation through knowledge regarding the facts of the case: *by creating, and advertizing its own “internet web site”* so that all documentation in the case can be studied by the public. Or shall direct the public to my web site for this purpose called [www.trialoflife.info](http://www.trialoflife.info)

THE AD, (or, its equivalent)

We the people of the jury, acting on behalf of the public interest in this trial TR 0022442. Details at [www.trialoflife.info](http://www.trialoflife.info)

Having found sufficient cause: within the critical terms of democracy/ freedom/ realities of punishment, thereby justice/ rights/ threats to ourselves/ and contractual constitutional law.

*As is provided by the first amendment to the US CONSTITUTION & the fifth amendment to the IL state constitution:* **THE LEGAL GUARANTEE called REDRESS OF GRIEVANCES, for this people.**  
**THE LAW, of this state and nation.**

We the jury thereby DO RECOMMEND: that a trial **constituting redress for and of the people**, shall go forward, in this courthouse, at the earliest possible time. *With a new jury: chosen by lottery, among those who do file their own request to participate in that redress trial, for the people.* [a simple postcard with your name and address to: champaign county court 101 E. Main, Urbana IL 61801, establishes involvement.] Thereby representing the people of this judicial district in the state of IL, to judge our need, as this society itself.

**FOR THE PURPOSE OF:** *Authorizing the sovereign legal right of ownership, and the guaranteed right that is* **WE THE PEOPLE,** *of this state and nation.* **To decide the issue of trial: for the rest, by redress.** The question: (1.) if we ourselves MUST or (shall not) enter into the critical and real examination/ investigation/ and duty of our current reality, established by those governing ourselves, as our employees. (2.) TO ASCERTAIN: The critical truth & reality of threats potentially causing our extinction, our leaders/ **GAMBLING with our lives.** (3.) To understand as a people: The functional relationship of justice, constitutional obedience, and sovereign authority established by, **we the people:** that we do share with those employees: *who did contract, and are paid, to govern on our behalf, BY their OATH. Hired, Not to rule us, BUT to work as we demand, through the constitution, on our behalf. Respecting, Our agreement as a people to unite under these terms, as one state or nation.*

Redress trial acts on behalf of we the people of this state, by lottery/ because NO single jury or litigant, can demand trial of our employees. Should this preliminary jury accept: “we shall investigate and examine the facts, to decide for ourselves what is true of our society” by this jury. THEN the same basic reality of trial extends to each and every judicial district in IL, immediately thereafter. *To gather and determine by, and for the people themselves: as a democracy “if we shall indeed take our employees and what they have done/ our future as life, state or nation: TO TRIAL.”* Majority rules/ we the people are judge: by vote. **It is OUR RIGHT!**
